In the Beginning

In the beginning Captain Shreve was just a vision of the community and people of Shreveport, who want their schools to rank among the best in the United States. The architects transcribed this vision into drawings and blueprints; and as men and machines transformed the plans into a beautiful structure, an insignificant cotton field became a center of activity, culminating in the completion of the structure August 25, 1967.

Inside were classrooms to be filled, a library to become a research area, and an office to develop as the nerve center of an educational community. On September 6, 1967, the doors of Captain Shreve opened to eager students for the very first time. The halls began to fill; the library became a research center; the office, a headquarters correlating all school activity. Now the structure became a school and lived in the minds of students, teachers, and the people of Shreveport.

What is a school? The first reaction to the word is an image of a school building. A school is much more; a school is the students, faculty, and administration that labor there. In fact a school can be built of bricks, steel, concrete, and clay, but it cannot be born until the first student enters it to learn. Then it becomes a school. Students will come and students will go, but each will leave a part of himself to the school. The personality of the school is no better than the students making up the school. As they develop and grow, so does the school develop and grow. It is the student who must build a school. Every year seniors depart and leave behind them a heritage to be matched by the future generations. To quote Carl Sandburg, "It is the men and women, boys and girls so poured in and out all day that give the building a soul of dreams and thoughts and memories." The staff of the LOG presents to you, the birth of the school, Captain Shreve High School, and its dreams, thoughts, and memories.

ADMINISTRATION

Mr. Stanley Powell, Principal, Sets Pace

Being a principal of a school is a demanding responsibility, and Mr. Powell has met the challenge. Arriving first in the morning and leaving last at night, he works diligently for long, hard hours, counseling students, supervising school functions, and overseeing the whole working operation. Serving as a tower of strength and an inspiration to faculty and students alike, he walks through the halls often stopping to participate in classes. All in all, Mr. Powell is our devoted friend.

CAPTAIN SHREVE HIGH SCHOOL

6115 KINGS HIGHWAY

SHREVEPORT, LOUISIANA 71105

Stanley Powell, Principal

The doors of Captain Shreve will open and close many times in the future but never again for the first time. The groundwork for many of the traditions for this school is being established by you.

This work is of vital importance in what you want Captain Shreve to be now as well as in the years ahead.

It is my fervent hope that as you look back on the first year of Captain Shreve you can do so with just pride and a sincere feeling of accomplishment.

English Focuses on Communication of Ideas

Through the study of literature and grammar, English courses strive to teach effective communication through the spoken and written word. Reading and interpretation are stressed in the studies of literature. At the sophomore level students examine literature in general, while juniors and seniors focus on American and English writing. Students gain insight into man's attitudes and ideals expressed through literature.

Unique teaching aids are featured in the English department. The S.R.A. series of transparencies prepared for overhead projection has been used in grammar and composition studies. English III classes have engaged in team-teaching which is made possible by the flexible door which joins classrooms. Availability of materials has provided varied and effective means of presenting curriculum.

The speech department trains students in the art of oral communication. Speech I teaches the foundations of preparing and delivering speeches by lecture and student participation. Speech II emphasizes the background and development of the theatre. Speech III strengthens the student's skill in debate. Speech offers a process of learning and application—knowledge through experience.

ABOVE: French III students Ellen Russell, Lyn Nalle, and Jane West make use of the portable language lab.
BELOW RIGHT: Randy White gets into the act as Mrs. Houchin demonstrates how a toga was worn in Caesar's day.

Foreign Languages: Foundations of English

The foreign language department acquaints students with language, literature, arts, and culture. In Latin, students acquire a better understanding of the English language through the study of Latin and its influence on our language today. Latin students discover English derivatives through reading stories from Roman history, literature, and mythology and achieve a better command of the English language through the study of Latin.

The key words in French and Spanish classes are "listening" and "pronunciation." The target language is spoken in class, and extensive use of tape recordings has made an important addition to the learning process. French students acquire listening comprehension, speaking, writing, and reading ability through conversation, drill, and composition. Students acquire a mastery of Spanish by learning, reviewing, reading, listening, and testing. The language is used in the classroom in stories and articles, in illustrated notebooks made by the students, and in skits. Spanish majors are interested in the advancement and appreciation of great writers, painters, and heroes of a nation many centuries old.

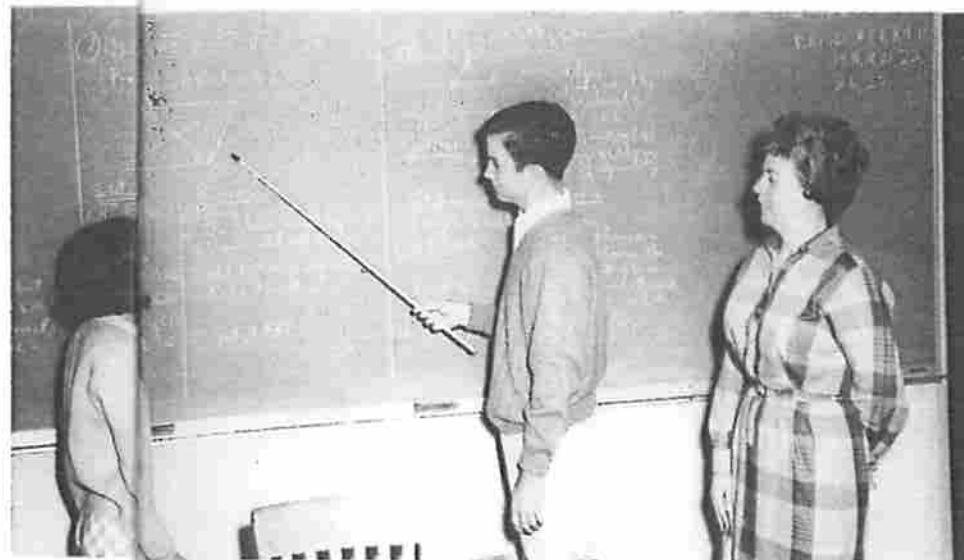

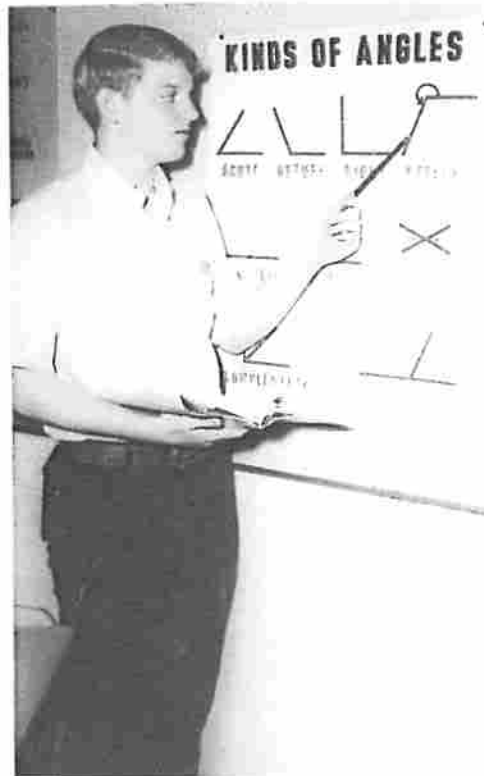

CENTER LEFT: Robbie Peters points out a souvenir from Spain.
BELOW: Mary Becker locates a point on the map in Latin II.

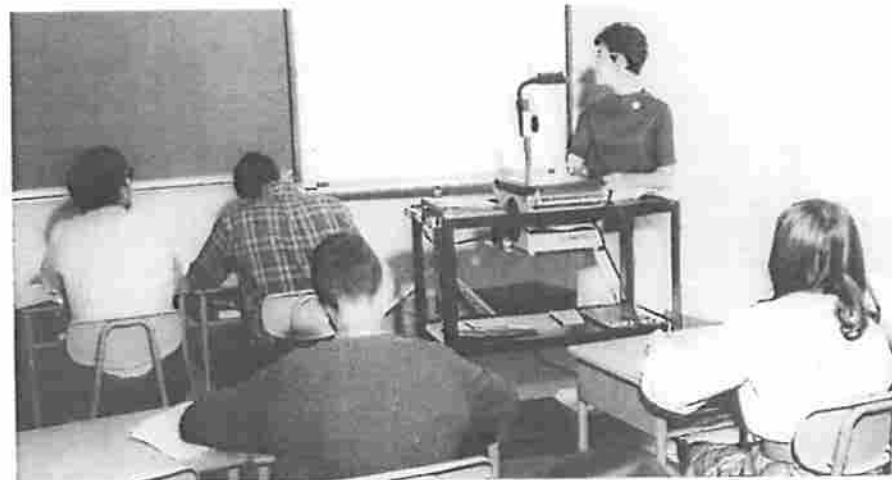

Mathematics Develops Accuracy

The math student is offered a variety of courses of study beginning with the elementary and encompassing the complex. In general mathematics the student can obtain a basic understanding of all mathematics, dealing with fundamental operations in rational numbers. The four fundamental operations involved in the business world are emphasized in business arithmetic. The student is acquainted with business procedures including banking, insurance, and taxes. In Algebra I, the fundamental operations and vocabulary of algebra are taught and practiced. Geometry is primarily an elementary course in logic, stressing plane and spatial visualization, and growth in the deductive method. Algebra II develops an appreciation of algebra as a body of structured knowledge which can be derived from very few basic assumptions. Advanced math prepares the student for modern courses in calculus, algebra, and probability. Mathematics involves a process of understanding and application of basic math principles.

TOP: Lang Wedgeworth points out to Amy Peninger a proof in geometry.
LEFT: Judy Feron concentrates on her assignment.
ABOVE RIGHT: In business math the class listens carefully as Coach Powell makes an explanation.

Sciences Explore Miracle of Life

Science courses strive to make the student more efficient and knowledgeable in the area of science for everyday living. General science offers the student a basic understanding and overview of the various sciences: biology, chemistry, and physics. Biology investigates the mysteries of living organisms by progressively examining the forms of animal and plant life through a program of classroom demonstration, discussion, and related laboratory experiments. Modern facts and ideas are presented in a program of molecular biology incorporating a study from atoms to human life. Chemistry provides the interested student with general chemical information and prepares the college-bound student for further study. Physics, which deals with all physical sciences excluding chemistry, offers the student preparation for further science studies. With the latest in laboratory and equipment facilities, the science department offers students an excellent opportunity in learning the miracle of life.

BOTTOM LEFT: Phillip Neal and Cathy Laughren perform an experiment to illustrate the difference between a compound and a mixture.
RIGHT: Dr. Wayne Hanson of Centenary College, a guest speaker, lectures to chemistry students on atomic structure.

Social Studies: Past and Present

Social studies provide a study of the world in which one lives. World history aids the student in understanding that the "roots of the present lie deep in the past." Its scope of study ranges from pre-historic time to the present with an emphasis on America's European heritage. American history examines the cycle of history and develops logical thinking. The use of overhead projectors, records, films, and newspapers illustrates that history is the key to better living and that society learns from the experience of others. Economics and government examines not only American systems but those of other nations and provides the student with a better understanding of established governmental and economic systems. World geography broadens the student's concept of the world and aids him in understanding people of different countries. Countries are studied according to their cultural area; human geography rather than physical geography is emphasized. Social studies show that the study of man's actions leads to a better understanding of one's self.

BELOW RIGHT: Coach Wiggins observes as boys take a hand at some basketball shots.
BOTTOM: Kathy Price demonstrates a gymnastics movement as her classmates observe.

Physical Education Promotes Fitness

The basic aim of the physical education department is to educate the student through a variety of wholesome and interesting activities which will contribute to the physical, mental, and social development of the individual. Boys' P.E. provides an opportunity for physical development through participation in various games and activities. Emphasis is placed on basic skills which lead to team games. Girls' P.E. provides an area of developmental experiences involving movement which contributes to the knowledge, skills, and attitudes of an individual about herself and her environment. Through demonstration, lecture, and practice girls are given instruction in a variety of sports in which they can participate through extra mural play with other high schools. Students acquire a level of fitness highest for themselves as individuals.

ABOVE: Boys' P.E. focuses on skills that lead to team games.
LEFT: Girls demonstrate skills acquired in gymnastics.

Business Education: Key to Opportunities

Business courses develop technical skills required for competent performance in various fields. Typewriting I develops the techniques of using the typewriter and applying them to personal and vocational pursuits. Typewriting II develops highly skilled typists capable of handling efficiently and economically a wide range of business oriented assignments. Shorthand I is designed to enable students to develop reasonable skills in reading and writing shorthand. Shorthand II is a vocational course stressing speed and efficiency. Bookkeeping develops skills required for competent bookkeeping at the beginner's level, ability to interpret and analyze business forms, and provides foundations for further study. Clerical office practice trains students for clerical jobs and masters office duties such as filing, business machines, and mailing procedures. Business education provides opportunity for the mastery of skills involved in vocational opportunities.

ABOVE RIGHT: Mr. Minniear conducts a class in music appreciation. Here he demonstrates how various instruments are played.

Fine Arts Develop Creative Expression

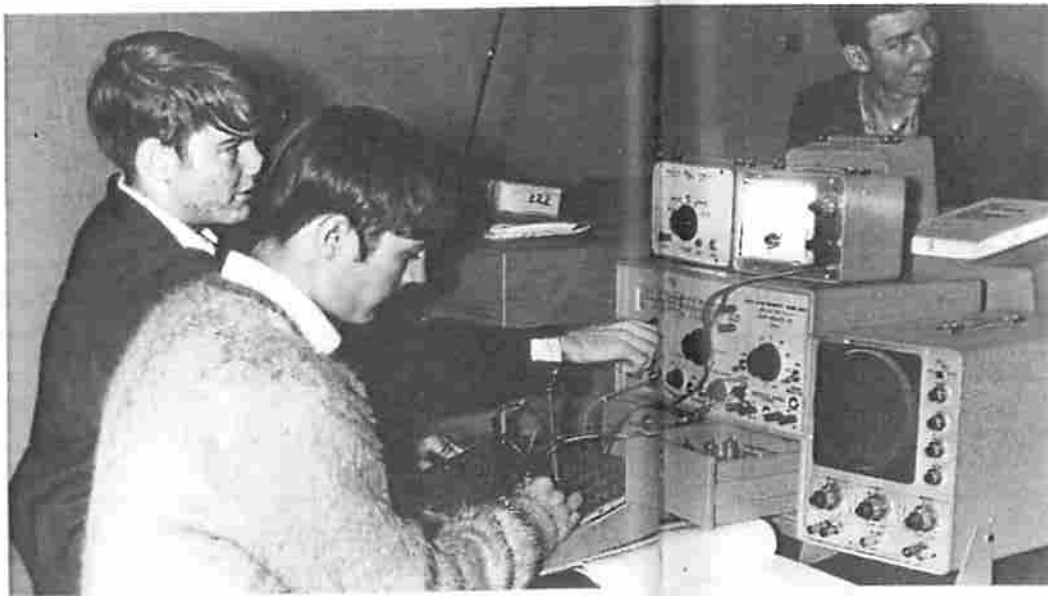

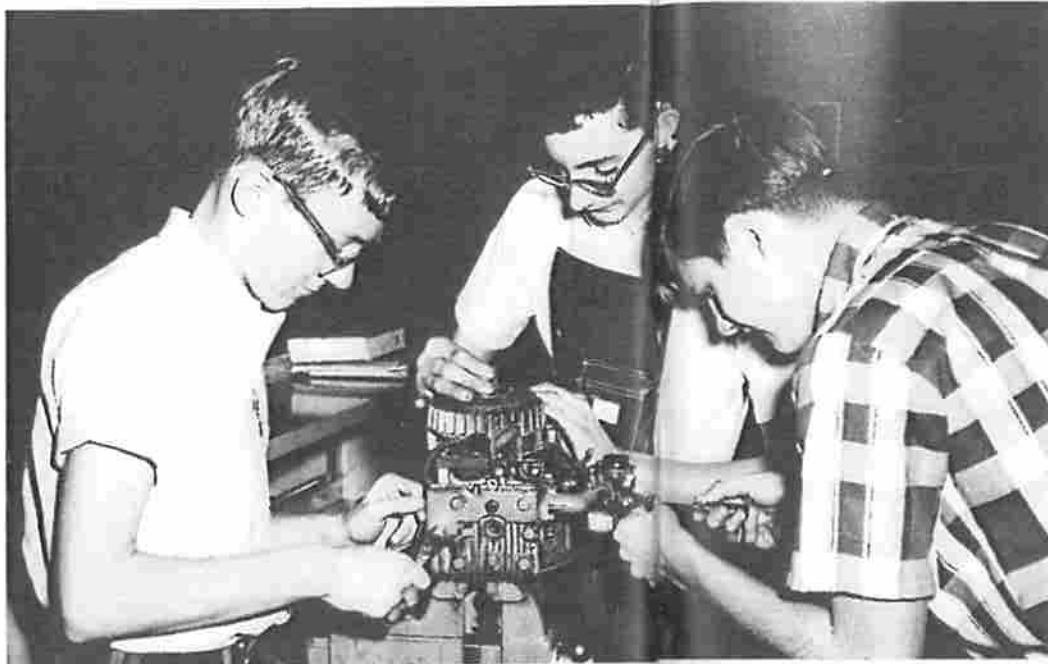

The fine arts department offers the gifted student an opportunity to participate in band, choir, orchestra, and art. In band students learn to play an instrument and develop an appreciation for the various types of music. Band members learn music theory, music history, and marching through participating as a group in musical endeavors. Choir members become able readers of music and enjoy singing the music literature of many styles and periods. Sight-singing, theory, proper use of the voice, and careful diction are emphasized in a program of secular and sacred music literature. In orchestra students acquire an understanding of music theory and history while playing fine music and advance the physical skills necessary to play well. A stereo record player and tape recorder and adequate space and equipment are an asset to the music department. Art classes encourage the gifted student in the development of creative expression. Art I students are introduced to good composition and are given the fundamentals. Art II students begin to develop an individual style and experiment more extensively with painting. Art III students are being prepared for college. Students are offered a well-rounded program in the area of fine arts.

LEFT: Rob Bennett and Janet Freeman experiment with different types of art techniques. Many art students develop their talents for careers and further study.

Industrial Arts Students Acquire Technical Knowledge

The industrial arts department gives students a basic foundation in the principles and operation of mechanical drawing, electronics, and small motors. Mechanical drawing gives students a knowledge of the language of industry through reading and making their own plans. It focuses on mechanical, architectural, and engineering drawing. Electronics teaches the theory of electricity and the use of electronic equipment through lecture, experiments, and a workbook. Small motors develops a student's ability to identify, select, and use correctly some of the tools used in the maintenance, assembly, and disassembly of engines. It also serves to acquaint the students with the industries engaged in the manufacture of engines. Industrial courses provide the interested student with a basis in the area of mechanics, electricity, and graphic arts.

RIGHT: Small motors students examine the parts and operation of various motors.
BELOW: Steve Langford and Butch Kurz experiment with modern electronic equipment.
FAR RIGHT: Mr. Pedro watches as Bill Deen takes a hand at mechanical drawing.

Home Economics Features Modern Equipment

The goal of home economics and home and family living is to strengthen personal, home, and family living through helping individuals. Home economics focuses on clothing, foods, homes and home furnishings, self-improvement, child care, and related careers. Students apply their skills in the modern labs featuring the latest equipment and arrangement. Home and family living develops an appreciation of the importance of the home and family in the American way of life.

RIGHT: Patti Morley prepares clothes for cutting in preparation for dress-making.
BELOW: Mrs. Rife shows Deborah Branch and Debbie Williams the proper method of putting in a zipper.

TOP: Lynn Dilworth uses one of the sewing machines available in the modern clothing lab.
LEFT: Shelia Laborde measures cloth and fits the pattern.
RIGHT: Debbie Hyatt prepares a table setting before a meal.

Driver Education Encourages Safety

Driver's education instills within each student proper attitudes and develops safe driving methods. Driver education and traffic safety are taught through lecture, group discussion, textbook study, and films. Direct experience on the road is gained by in-car training and simulator training.

RIGHT: A new car was provided for students interested in learning proper driving methods. BELOW: Mr. Yopp, driving instructor, bravely enters the car as Janet Hill prepares to drive.

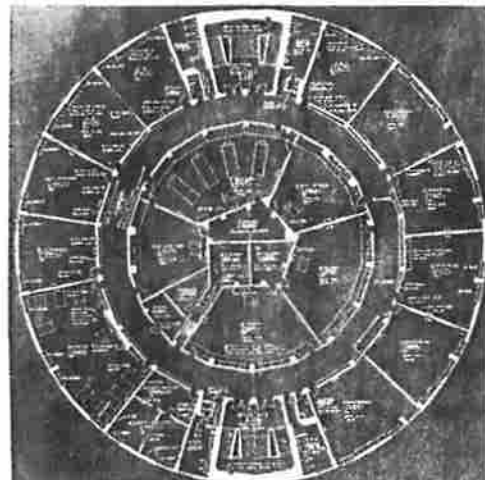

R.O.T.C. Develops Maturity

R.O.T.C. develops in each student a basic knowledge of military skills, self-reliance, leadership, responsiveness to constituted authority, participation, and the attributes of good citizenship. Through a process of lecture and application, students learn leadership, marksmanship, military history, and tactics.

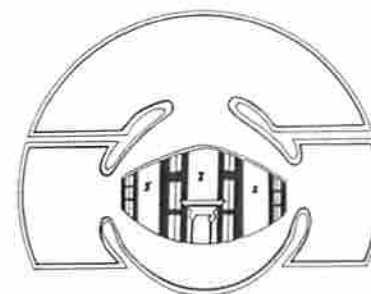

LEFT: Cadets learn the handling, operation, and assembly of weapons. BELOW: In the lecture room Sgt. Harper leads the cadets in the study of tactics and military history.

ORGANIZATIONS

Student Council Leads the Way

"Mr. President, I move that this meeting be adjourned until 7:45 tomorrow morning." "I second the motion!" These are typical statements of the busy student council. In fact, the student council often has so many pressing matters, it cannot accomplish them all in one day.

Since October, 1967, the council has been working to serve the school. Representatives from each homeroom, senators, and officers all set an example of good citizenship, while providing essential services for all students. One of the activities of student council is the school store where students can buy needed supplies. Buses were chartered by the student council for the students to attend out-of-town games. These are only a few of the worthwhile undertakings of this organization which governed the student body well in its first years of existence.

RIGHT: Vice-president Archer Frierson looks over his notes before delivering a speech to the student council.

CENTER RIGHT: President John Schulze has little trouble keeping the attention of all student council members.

LEFT: Senators are, seated in front, Kay Fesse, Janie Davis, and Jan Clarke. Standing are Ron Schnider, Susie Fitzgerald, Janie Owensby, Kathleen DeSilva, Janie Higdon, Bobby Tucker, Richard McKenzie, David Baker, and David Bains. BELOW: Representative Timmy Culliton makes a motion while others consider the naming of the yearbook.

Student council representatives, front row: Susan Kappen, Frede Epps, Mary Helen Williamson, Mary Jo Nolen, Kathy Stall, D. D. Nordin, and Ann Cowden. Second row: Ron Snider, Susie LeSage, Renee Cloutier, Claire Maffett, Camille Grigsby, Martha Williams, and Russell Brabham. Third row: Mike Howell, Judy Massie, Pam Wilson, Jeff Crane, Becky Jordan, Dru Marsalis, and Martha Crenshaw. Fourth row: Bobby Messina, Timmy Culliton, Jerry Larent, Skipper Grady, Fred Hughes, Denny Duron, and David Headrick. Fifth row: David Tegler, Larry Williams, Curt Rymer, Larry Grimes, Max Heigh, Dicky Sandifer, Raymond Barton, and Skip Neal.

S.C. Sets Tradition

LEFT: Regina Joe, corresponding secretary, works busily at the typewriter. CENTER LEFT: John Schultz presides over all student council meetings which is one of his duties as president. FAR LEFT: Richard McKenzie sells reservations for the first bus to the Texarkana game, sponsored by the student council. BELOW CENTER: Ginger Clarke, secretary, keeps accurate minutes of each meeting.

Student council alternates include: ABOVE: First row: Amy Peninger, Martha Marrs, Jim Larmoyeux, Steve Cassard, Susan Farmer, and Sandra Brazzel. Second row: Skip Patterson, Melanie Noble, Cathy Wilmes, Janet Freeman, Georgia Keeney, Patty Morley, Garen McGregor, Randy Harig. Fourth row: Larry Logan, Neil Erwin, Dana Rowland, Doug Smith, Ed Demmel, Mike Harter, Patrick Carrington, Ronnie Harper, and F. A. Moore.

Z Club Volunteers 900 Hours of Service

The Captain Shreve "Z" club strove to fulfill its purpose—"to serve the school and community." The "Z" clubbers went about achieving this goal in their many projects. Decorating a Christmas tree for the front hall was one of their projects connected with the school. They made Christmas stockings for the children at Confederate Memorial Hospital. Through the projects of the club, the girls serve the school and community, develop better citizenship, and prepare for the future.

The "Z" club is the only girl's service club in existence. The thirty members are chosen from the sophomore, junior, and senior classes on the basis of leadership ability, character, and scholarship.

LEFT: Chairmen are, seated: Cindy George, Julie Loughran, and Jerry Gail Parrish. Standing are Sheri Edwards, Donna Dawkins. FAR LEFT: Officers kneeling are Jan Taylor, sophomore director, and Linda Laws, senior director. Standing are Terry Johnson, president; Janie Owensby, junior director; Jane McHorse, vice-president; Rande Herrell, secretary; and Michelle Dickens, treasurer. CENTER BOTTOM: The newly incorporated club initiates its members at the annual banquet. BOTTOM FAR LEFT: Terry Johnson is this year's president.

Fourth row: Patti Dunaway, Rande Herrell, Mary Beth Tucker, Jan Clarke, Letty Shriver, Cindy George, Nancy Walter, Jerry Gail Parrish.

Interact Features First Student Directory

"How do you spell that name? What's the phone number? Are you sure that's right? This and other questions were often heard among Interact club members and sponsors. They worked long hours on the Student Directory which was appreciated by the student body. Among other projects, one of the most outstanding was the Faculty vs. Interact basketball game.

The purpose of the club is to provide opportunity for young men to work together in a group dedicated to service and international understanding. The Interact club members maintain a 2.5 grade average while serving the school and community.

LEFT: Interact sponsors a night of entertainment for fellow Gators. FAR LEFT: Officers are Doug Martini, treasurer; John DeLee, vice-president; Edward Blanchard, sergeant-at-arms; Jim Larmoyeux, secretary; and Randy Harig, president. Fourth row: John Hayter, Douglas Rivet, Gary Ashley, Tom Showalter, Don Ashley, John Gaydos, Doug Martini, Steve Smith, and Woody Nesbitt.

Key Club Brings Honor to School Through Service

The Captain Shreve Key Club distinguished itself early in its first year of existence. Excelling all other Shreveport clubs, they collected \$510 in a 2½ hour door-to-door leukemia drive.

The Key club is a service organization of civic-minded young men and their club sponsors who devote many hours to helping others. Sponsoring "Career Days" for the student body; helping with the tuberculosis and Thanksgiving food drives; directing cars at football games; and selling parking lot stickers, fruit cakes, and fire extinguishers were some of the many projects of the past year. The La.-Miss.-Tenn. District Convention, held in Biloxi, Mississippi, in late March culminated the year for the club members. Working with the objectives of developing leadership, initiative, and good citizenship, the Captain Shreve Key Club worked steadily all year to help better the school and community.

LEFT: Judge Gorman Taylor gives Key club members pamphlets on the Juvenile Court at a meeting. ABOVE FAR LEFT: Officers are Jimmy McClamrock, junior board member; Richard McKenzie, secretary; Neil Erwin, sophomore board member; Larry Hiller, treasurer; Bill Prince, senior board member; F. A. Moore, president; Bobby Tucker, vice-president. BELOW LEFT: Larry Hiller and Miss Carruth, sponsor, prepare kits for the Leukemia Drive. BELOW CENTER: F. A. Moore, president, is pictured with the sponsors: D. D. Nordin, Susie Fitzgerald, Pam Wilson, Becky Jordan, and Mary Beth Tucker.

ENTERPRISE Publication Communicates to Students, Faculty, Administration

The purpose of the ENTERPRISE is to interpret school life to the student body and to the community; to sustain unity between student opinion and administration policies; to encourage high scholarship and sportsmanship; and to motivate the true Captain Shreve High School spirit. The student activity room is sometimes a bit hectic, but always happy once a month when the edition of the ENTERPRISE arrives. The business and editorial staffs work tediously to make the ENTERPRISE the very best. The students and faculty can point to the ENTERPRISE with mingled pride and joy. The newspaper staff is sponsored by Mr. E. A. Wilson.

LEFT: Editor Donna Dawkins and assistant editor Rob Bennett look over the first edition of the Enterprise. CENTER LEFT: Business editors for the ad staff include Claire Huhn, Diane Iles, and Sandra Brazzel. FAR LEFT: Vida Traylor looks over the staff's first edition, which she edited. BELOW CENTER: Newspaper ad staff includes, front row: Cheri Chalmiers, Wanda Warner, Mazie Loyd, Janie Higdon, Claire Huhn, Diane Iles, and Sandra Brazzel. Back: Lissa Marcus, Susan Wibker, Martha Crenshaw, Janice McGuffey and Kay Kunkle.

ABOVE: Newspaper staff, sitting: Cheri Chalmiers, Donna Dawkins, Betty Putman, Vida Traylor, Cathy Lay, Candy Zimmerman, Dorothy Jarzabek, and Linda Levy. Standing: Nick Putch, Bobby Willis, Brenda Rigby, Mary Kirk, Rob Bennett, Diane Iles, and John Norton.

ROTC Builds Maturity, Develops Leadership in Today's Youth

Ever notice the flag when you come to school? This is one of the many duties appointed ROTC. The ROTC posts and retires the colors daily. They also perform this duty at all assemblies.

The ROTC represents the school in rifle and drill competition with other organizations in the Fourth Army area. Caddo Parish is one of two parishes that carry on this program. It gives a student an opportunity to excel in a competitive sport other than the regular varsity athletics.

In addition to parades, which are scheduled every other week, the cadets plan the Military Ball, held at the municipal auditorium in February. This is the important ROTC social event of each year. Another important event is the federal inspection, which is held the week of March 25-29.

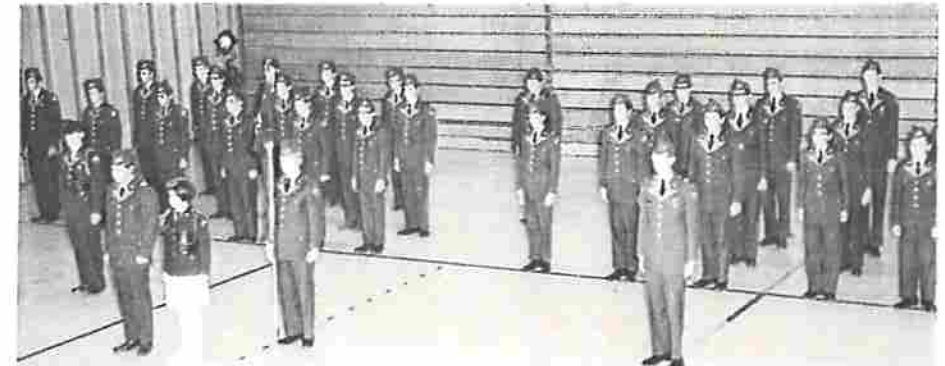

The objectives of Junior ROTC are to develop in each student a feeling of self-reliance, leadership, and responsiveness to constituted authority. Each ROTC Cadet Officer must maintain a 2.5 grade average and be of good moral character.

ABOVE: Officers are Jerry Ferguson, Ronnie Harman, Carroll Aderhold, David McClurkin, and Donald Calledare. Sponsors are Rita Larsen and Charlotte Smith. RIGHT: The Color Guard take their position at the beginning of a parade.

Industrial Arts Club, Builders of Tomorrow

To widen and deepen the interest and knowledge of students in this technological age, to provide vocational information, and to assist in attaining the national objectives of industrial arts are just a few of the purposes of the newly formed Industrial Arts Club. Sponsored by Mr. Pedro, the club boasts forty members, including three sponsors and six officers. One of the most outstanding activities which the club members and sponsors attend is the annual convention, held in Baton Rouge, on March 22, 1968.

BELOW: Officers are Freddy Sterba, president; Cliff Brown, secretary; David Sour, treasurer; Gary Rippeoe, parliamentarian; Galen Hopper, historian. RIGHT: Sponsors are Sou Garrett and Glynn House shown with Mr. Pedro and President Freddy Sterba.

Top row: Gary Frye, Keith McMaster, Freddy Sterba, Skip Neal, Mike Pearce, Robert Jackson, Ed Demmel, Jerry McQuillin, Dee Aldridge, Doug Martini, Jeff Griffin, and Bill Gary.

FTC: Educators of Future Generations

The FTC membership is comprised of those students who have expressed interest in seeking information pertaining to careers in education. Through guest speakers, educational-oriented programs, and service to their school, these future educators are obtaining a realistic view of what it means to dedicate their life's work to educating the youth of tomorrow.

History Club Opens Doors — Occurrences of Past and Present

Is history really in the making or is it a here-today, gone-tomorrow affair? Who cares about history, anyway? A member of the Captain Shreve History Club could give lengthy answers on both questions, because the club's purpose is to learn to appreciate history and social processes.

This club is a member of two state organizations: North Louisiana Historical Association and North Louisiana Historical Society. It is open to all interested students at Captain Shreve. Two of the main events of the year are a trip to a historical site, and a dinner banquet with a speaker. The history club provides not only services to the school, but also to the community by helping to develop interest in past events and tomorrow's history.

Students Render Service in Cafeteria

Students helping in the cafeteria render a service from which the entire student body benefits. These students help to lighten the work load of the cafeteria staff. Keeping trays and silverware out and aiding in the lunch line are only two examples of the many errands they perform. For their assistance, these boys are rewarded with free lunches. Several students serve each day in performing cafeteria duty. These students are under the guidance of Mrs. Kathleen Johnson.

LEFT: Denby Duron lends a hand by serving food to hungry students. BELOW: J. C. Broome enjoys lunch after helping in the cafeteria.

Choir Achieves Perfection Through Hours of Practice

The audience sat in awe as voices raised in harmonious song. The Captain Shreve Choir, under the leadership of Mr. Walter Minniear, did a marvelous job in organizing in so short a time. But the results of their hard work were worth the efforts.

The choir performed on many occasions. The first public appearance was made on November 7, 1967 at the PTA meeting. At the Thanksgiving assembly November 17, 1967, the choir performed for the student body for the first time. Then the Christmas concert highlighted their performance for the year. The choir is an asset which adds to the pleasure of the entire school.

RIGHT: Seated is Kathy Stall, accompanist. Officers standing are David Baker, bass and tenor section; Rande Herrell, soprano section; Linda Laws and Diane Webber, alto section; and Karen Cowser, soprano section.

Orchestra Develops Appreciation for Music and Talent

"Quality, not quantity." The orchestra of Captain Shreve maintained quality in its musicians.

Our Captain Shreve Orchestra is composed of four outstanding musicians; the instruments played are the flute, cello, and two violins. Their first performance was made before the PTA in the fall, and the performance was excellent. They also entertained at the Christmas concert, which was the first concert of this nature at Captain Shreve. The small, but highly-talented orchestra displays extraordinary talent, while creating in its members an appreciation for fine music.

Captain Shreve Band Backs Team; Brings

The performers are tuning their instruments. The director steps up onto the platform and raises his baton. Silence falls. Every eye is on the director. He gives the signal and the music begins.

The time is seven o'clock on November 7, 1967, and the Captain Shreve band begins its first concert. Working hard all year, the band is constantly bringing both honor and entertainment to the school. After long practice hours, the band members participated not only in concerts, but also in parades and festivals to provide enjoyment and favorable publicity for the school and community.

All band members are chosen for their ability to perform at a certain level on a band instrument. Acting as band director this year is Mr. Ferguson, who does an excellent job.

Drama Provides Enjoyment

"To be or not to be that is the question." To be a club or not to be a club, and become a club they did.

Having found a sponsor, Mrs. Abramson, the Captain Shreve Drama Club was well on its way. This club gives those who have a talent for acting a chance to prove it. Even those who have no talent, but enjoy drama can help backstage with costumes, make-up, lighting, props, and scenery. The club is a welcome addition to Captain Shreve.

Library Workers Encourage Study

Do you know where every book in the library is? Well, if you don't, any member of the library club can help you find it. One is always greeted with a smile and aided in any way by each library worker.

Work does not end at aiding students but includes straightening books, checking books out, arranging magazines, and checking students in and out of the library.

The workers give up their study halls to help in the library. Those who do volunteer soon prove to be able and conscientious workers.

Debaters Win Honors in Various Tournaments

Throughout the year members of this club attended various tournaments over the state. During the first few months of this club's existence, it attended debating tournaments at Woodlawn, Natchitoches, and USL in Lafayette. It took a lot of practice, research, and organization to become a good experienced debater. The marks of excellence for their ability to members of the club received many debate. Along with debating, the club took on the projects to sell car decals and book marks. Pride is what Captain Shreve has in the enthusiasm, good sportsmanship, and work that makes up this debate club.

Art Is Creating

The organizational meeting of the art club was held under the able leadership of Mr. Fitzpatrick, the sponsor. The chief purpose of the club is to give the gifted student additional opportunities to be of service to the school and community.

This club exhibited their art work at the parish wide art show at Pierremont Mall. Students' art work is displayed in many places around our school throughout the year. The library and office bulletin boards have been uniquely decorated with various types of art work done by students in art club.

The club has a membership of thirty-three talented students, including five officers. The work of the art club has been admired by all the students and faculty. Their art displays add a touch of culture to the school which is appreciated by the entire school.

JCL Encourages Appreciation of Past Cultures

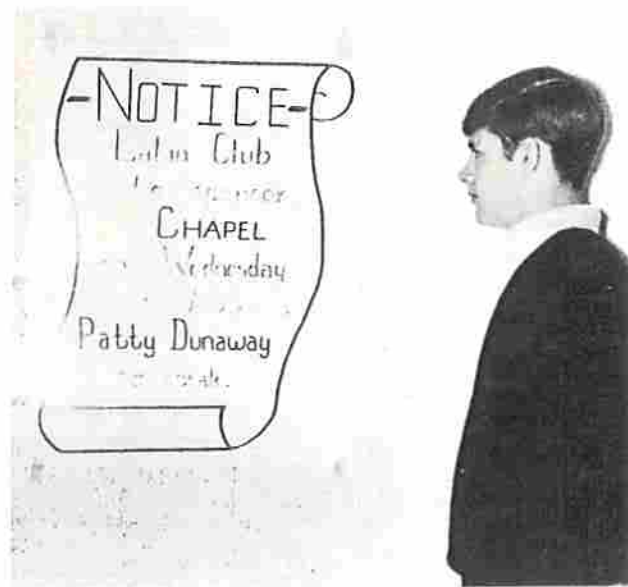

Latin is mistakenly called a dead language, because it lives actively in each high school throughout the U. S. Also this club is the largest organization of Captain Shreve, having been brought to life this year by its sponsor, Mrs. Houchin.

This year the Latin Club served the school by selling corsages for the Christmas Ball and also selling book covers. Members of this club attended the State Latin Convention in New Orleans at the first of 1968. It is the desire of this club to form a deeper appreciation of and interest in the civilization, language, and literature of Greece and Rome.

Football Ad Staff Supports Team

At the first of the year the Football Ad Staff sold advertising to all businesses or persons who wanted to support the Captain Shreve football team. This year proved to be very fruitful for this staff, who worked under the leadership of their advisor, Mrs. Loretta Gilliam.

Toward the end of the year, they sold the remaining few of their programs for a small price. The twenty-five girls on this staff spent many long hours planning the publication, beginning last July selling ads. By publishing the football programs, the staff supports the team, the Athletic Department, and the entire school.

Audio-Visual Aid Workers Lend Valuable Service

"Broken films, projectors, and screens?" These were not as frequent this year as they might have been.

Members of the Audio-Visual Aids Club assisted teachers in showing films and filmstrips, operating projectors and tape recorders, and setting up film screens. The club consists of volunteer members who give up their study hall to contribute vital help in lightening the teachers' load. The club is under the leadership of Mr. Green. The faculty and student body owe these few students a lot of thanks for their time and perhaps even the money they saved the school.

French Club Interested in Music, Art

"La seance est ouverte. Cue la secretaire veuillez bien faire B'appel."

Did you understand? If not then a typical French Club meeting would mean little to you since each meeting is carried on in French.

During the year the French Club planned a banquet, a speaker from France, and a music program of French songs. The members of this year's French Club and all future C. S. F. C. strive to provide the school and community with an interest in French music, art, and news.

4-H Club Educates

The 4-H Club of Captain Shreve teaches each member a hobby in which he is interested. Any member can learn how to raise livestock or horses, help on a farm, or a girl might learn to sew. Mrs. Rife acts as faculty sponsor for the club with Geraldine Wailes serving as president. Anyone who has the time and desire to be in this club is able to join. Each member must aid in carrying out each project the club decides to perform.

Deadlines Plague Log Staff

The mystery of cropping a picture presented a problem to the staff at the first of the year. But after hours of intensive work the yearbook staff finally mastered the cropping wheel.

The staff worked hard to record the year's events; and the work required many sacrifices from the staff and its sponsors. The Editorial staff slaved many hours before school, after school, and on week-ends planning a yearbook to please the students. The Business staff sacrificed after school hours and week-ends trying to meet the quota of sales used to finance the yearbook.

Receiving the honors at the end of the year as co-editors are Letty Shriver and Susie FitzGerald; and advertising manager, Skipper Grady. The sponsors are Mrs. C. Smith and Miss L. Carruth.

Coaches and Gators Establish First Football Record

Serving as a coach for twelve years, Coach Lee Hedges helped the Gators in their first year of football. Coach Hedges attained a B.S. degree at Louisiana State University and a M.Ed. at Northwestern State College. He coached last at Louisiana Tech.

Billy Talton coaches track and football. He has been a coach for five years and coached last at Batrop High. Coach Talton has a B.S. and M.S. from Louisiana Tech.

Tommy Powell has been coaching for eight years and last coached at Ridgewood Junior High. He coaches track and has a B.A. and a M.A. degree from Louisiana Tech and Northwestern respectively.

Billy Wiggins attained a B.S. degree from Louisiana Tech. He has been coaching basketball and other sports at North Caddo and Tech for twelve years.

Coaching football for four years at Broadmoor Junior High and now coaching the Gators, Wayne Tinsley earned a B.S. degree from Louisiana Tech.

Gators Score First Touchdown for First Season

CAPTAIN SHREVE 6 KILGORE 22

Kilgore Bulldogs caught the Gators by surprise in the opening game of their first season by handing them their first defeat in a hard fought 22-6 battle.

Steve Brian picked up 89 yards in ten carries, including a run to make the Gators' first touchdown. The Shrevesmen showed their potential by outpacing the Bulldogs with 79 yards to Kilgore's 44 and gaining a respectable 186 yards rushing.

Another Captain Shreve first came when Stuart Smith intercepted a Kilgore pass on the Gators' one yard line. Harter ran for 52 yards in 11 carries. The Gators showed great spirit throughout the game.

The Kilgore game was also the fans' first display of Gator spirit. A roaring crowd of two hundred came out for the game and cheered so loudly that local newspapers reported it as two thousand fans. This was an example of the tremendous spirit the fans gave the team throughout the season.

RIGHT: Boys behind the lines are as eager and as anxious as the boys on the field. BELOW: Melvin Bazer, Gordon Boogaerts, Archer Frierson, and safety, Tom Woods await a Kilgore offensive play.

CAPTAIN SHREVE 0 JESUIT 34

The championship bound Jesuit Flyers proved to be too much for the Captain Shreve Gators in their first home game. However, the Gators were able to hold the Flyers to minimum yardage during the first half. Gordon Boogaerts and Archer Frierson were outstanding on defense as they continually stopped the Jesuit runners.

On the very first play from scrimmage, Stuart Smith made a fine 39 yard run, but this was erased by a penalty. Leading ground gainer for the Gators' was Steve Brian who picked up 55 yards on 21 carries.

In the passing department, Smith completed 3 passes for 31 yards. On the receiving end were Dicky Sandifer who caught one for a seven yard gain, Steve Brian who caught one for a six yard gain and Mike Howell who caught one for 18 yards.

Unfortunately, the Flyers proved to be too much for the young Gator team and the final score was Jesuit 34 and Captain Shreve -0-.

Gators vs Jackets — Brothers vs Brothers

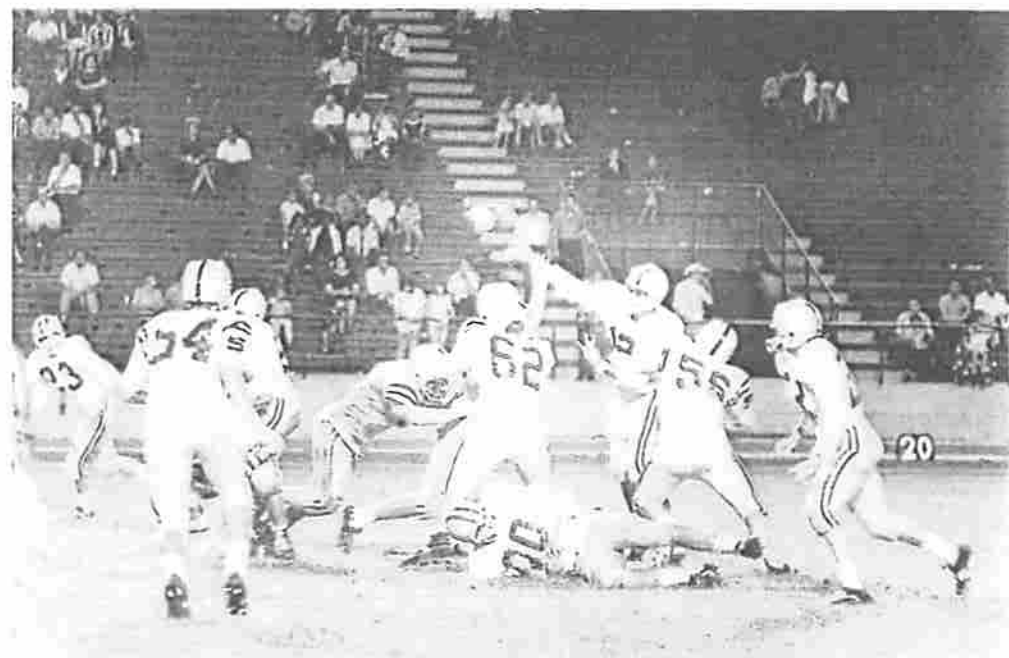

CAPTAIN SHREVE 0 BYRD 48

The Line Avenue eleven took the Gators to task with the number one ranked Byrd High Yellow Jackets blanking the Shrevemen with 48-0.

Captain Shreve's passing efforts consisted of Denny Duron to Dicky Sandifer for a gain of 22 yards and two from Duron to Steve Brian for 11 yards. On the ground the Gators gained a total of 105 yards. Top Shreve runner was Brian with 45 yards followed by Stuart Smith with 24 yards and Mike Howell with 23 yards. Defensively, Tommy Wood snatched two Jacket aerals to snuff out two scoring threats.

The depth and overall might of the powerful Jackets proved too much for the Gators; however, the Shrevemen fought diligently and showed strong spirit until the final gun.

Captain Shreve Gators Experience First Victory

CAPTAIN SHREVE 45 NORTHWOOD 13

Winning the first game in Captain Shreve's short history, the Gators bombed the Northwood Falcons ... 45-13.

In each of the first three quarters the Gators scored twice, and in the final period their second team tallied the last six points. On the very first play from scrimmage, the Falcons' quarterback fired a 51 yard bomb to Captain Shreve's 17 yard line. But the Gator defense stiffened and held the Falcons for four straight downs.

Sophomore quarterback, Denny Duron, played an outstanding game, throwing six passes for 138 yards and two touchdowns. His main targets were Mike Howell and Dean Woods, who each caught two passes for 69 yards. Both of Woods' receptions were for touchdowns. The other leading rushers for the Gators were Steve Brian who scored twice, Stuart Smith who scored once, and Mike Harter. The final Gator touchdown came on a five-yard plunge by fullback, Bill Conly.

The support throughout the week of the Northwood game was tremendous. The whole school turned out for the game and then some. After the game, Captain Shreve had its first Victory Dance in its history.

LEFT: Bill Conly runs for a touchdown against Northwood. BELOW: Scoreboard displays Captain Shreve's first historical win.

Gators' Surprise Attack Almost Upsets Rebels

CAPTAIN SHREVE 20 NORTH CADDO 27

Captain Shreve came within one touchdown of its second victory of the season but was eventually defeated by North Caddo 27-20.

Stuart Smith led the Gators' scoring bonanza with 101 yards rushing in 10 carries including the three Shreve touchdowns. Steve Brian was the other chief threat with 93 yards.

Although the Rebels scored the first touchdown, the Gators came right back on a 37 yard run by Smith to cut the lead to 7-6 as the extra point failed. After two more Rebel touchdowns, Smith scored again on a 20 yard pass from rookie quarterback, Denny Duron, which left the score 21-13 at halftime.

The final Gator touchdown came on another passing combination of Duron to Smith in the final stanza. The play covered a total of 20 yards. This game left the Gators with a 1-4 record.

Gallant Gators Lose in Valiant Effort to Indians

CAPTAIN SHREVE 7 FAIR PARK 33

Captain Shreve's Gators made a gallant showing against Fair Park in their Thursday night game with the Indians. A hard fought first half resulted in a 7-7 deadlock at the intermission, but the determination of the Tribe and the thin Gator reserves took its toll bringing the final score to 33-7.

Hard-driving halfback, Steve Brian picked up 28 yards in 7 tries before his season ended with a leg injury early in the second half. Stuart Smith was the Gators' leading ground gainer with a total of 57 yards and Captain Shreve's lone touchdown of the game.

The tough defensive efforts of Gordon Boogaerts earned him the well deserved title of Lineman of the Week.

TOP LEFT: Gordon Boogaerts, a defensive linebacker, breaks through the line to make a jarring tackle. ABOVE: Mike Stautzenberger, Gordon Boogaerts, and Bobby Simmons smother a Fair Park ball carrier. RIGHT: Coach Lee Hedges and Tommy Powell talk to boys about procedures of the Fair Park game.

CAPTAIN SHREVE 0 WOODLAWN 27

The scrappy Captain Shreve Gators slowed the aerial circus of the Woodlawn Knights and forced them into their little-used running game.

Top offensive threat for the Gators was Stuart Smith who rushed 16 times for a net of 66 yards. Tackle, Gordon Boogaerts also did excellent duty on defense for the outmanned Captain Shreve club.

The hard fighting Gators gave up only one touchdown in the second half, but the three touchdown lead in the first half proved too much to overcome, and the final score was Woodlawn 27 and Captain Shreve 0.

CAPTAIN SHREVE 7 TEXARKANA 41

The final game of Captain Shreve's initial season was held in Texarkana, Arkansas in front of an excited homecoming Razorback crowd. Many faithful Gator fans who made the trip were thrilled as the Gators drove 62 yards, climaxed by a 6-yard touchdown run by Stuart Smith to put the Gators in the lead during the first quarter. However, due to the added experience of the Razorback's 38 seniors compared to Captain Shreve's four, the Gators were defeated 41-7.

Forming the basis for spirit and tradition on which the Gators will stand for years to come, were the 1967-68 Captain Shreve cheerleaders. Not only did they fulfill this task, but also put in countless hours devoted to the school. The cheerleaders are commended on the marvelous job they put forth on banners, "spirit hoops," pep rallies, and school relations. Elected early in September, the cheerleaders had to perform a rush up job in perfecting their cheers for the first football game. These five persons are the first to experience the feeling of the true Gator spirit.

Four Seniors Honored for Leadership, Scholarship

Captain Shreve High School's faculty proudly announces four outstanding seniors as Who's Who in Captain Shreve High School. This honor based on qualities of leadership, scholarship, and responsibility exhibited by the recipients was awarded to David Bains, David Baker, Donna Dawkins, and Bill Prince.

David Bains participated in the establishment of new traditions actively by serving as head cheerleader. He also took a part in the formation of the History Club and choir.

David Baker felt the responsibility of being a member of the first senior class. As a result, he served as senior senator, participated in choir and basketball, and was honored as a charter member of the National Honor Society.

Donna Dawkins exhibited the spirit of the class of 1968 by her enthusiasm in pep squad as CPO, Z Club, Drama Club, Latin Club, and National Honor Society. She served the school as co-editor-in-chief of the ENTERPRISE.

Bill Prince, as a transfer student to Captain Shreve, met the challenge of a new endeavor. He served on the senior board of the Key Club and helped charter the first National Honor Society at Captain Shreve High School.

Kay Pease Stuart Smith

Mr. and Miss Captain Shreve

Log Staff Presents Mr. and Miss Captain Shreve

Kay Pease worked at all times toward bettering school and community. As a CPO in the pep squad, she worked to improve spirit and promote school pride among her fellow students. She spent many extra hours participating in various projects as a member of Z Club. Elected as a senator by the senior class, Kay has proved herself a well qualified leader. She also devotes her time to being an active member of the Spanish Club and serves as secretary of Drama Club. Kay's friendliness and enthusiasm for her school and classmates has won her the honor of being the first Miss Captain Shreve.

Mr. Captain Shreve, Stuart Smith, exhibits leadership qualities in the classroom as well as on the football field. Stuart ably quarterbacked the first Gator football team. Exhibiting an interest in the success of Captain Shreve's first year as a school, Stuart worked many hours before school actually began. He helped by performing duties such as carrying books to classrooms and doing other jobs necessary to the opening of school. As an official guide Stuart's enthusiasm and school spirit served as an inspiration to fellow students. Stuart's willingness to follow as well as his ability to lead make him the LOG Staff's choice for the first Mr. Captain Shreve.

LEFT: Sou Garrett served as Queen of the Christmas Court. BELOW: Becky Jorden, D. D. Nurdin, Cindy Dalton, Queen Sou Garrett, Celeste Bland, Susie Fitzgerald, and Garen McGregor composed the Christmas Court. BELOW RIGHT: Garen McGregor and Becky Jorden were sophomore princesses.

The Captain's Christmas Ball held on Friday, December 15, 1967, in the gym of the school was the first formal event of the year. The dance was reigned over by Queen Sou Garrett. Honored as princesses of the respective classes of seniors, juniors, and sophomores were Cynthia Grace Dalton, Celeste Rush Bland, Dorothy Diane Nurdin, Susan Fitzgerald, Rebecca Ann Jorden, and Mae Garen McGregor. Nominated for the court were sophomores Francis Elizabeth Middleton and Susan Virginia LeSage, juniors Jeri Lynn Horton and Margaret Jane Owensby, and seniors Gaynor Ann McCabe, Linda Joyce Laws, and Mary Beth Tucker. The Essembly of Sound played at the dance held from eight to eleven thirty.

Ellen,
 Nice morning
 you this year.
 Have a good Summer
 Joe Thup!

Dear El -
 Here's it going?
 Hope I will I really
 know everything
 will turn out all
 sunny for you - so
 don't worry about a
 thing!
 Stay as sweet as
 you always are!
 I'll talk to you
 later!
 Love
 Linée

Ellen,
 You're crazy, nutty,
 out of your head, cute,
 sweet, a great girl.
 Keep up the work.
 Love
 Sue C.

Ellen -
 Been great knowing
 ya! Be good & I'll see
 ya soon!
 Love ya,
 Nigi

Ellen,
 I'm glad I get
 to know you this
 year stay as great
 as you are. Good
 luck always. Have
 fun this summer
 with

Ellen,
It's been great
being in the carpool
(?) with you. That
sounds great! But
anyway, have fun
this summer and
good luck next year.
Love,
Linda Hume

Ellen,
I've loved seeing
you this year.
I hope I see you
over the summer.
Good luck.
Love ya

Ellen,
To the most
intelligent person
I know,
Elliott

Ellen,
We've really
had a lot of fun
this year & in
math & gym and
we've thought of a lot of
dumb things to do -
(Remember the drive-in with
Rods & Ronny?)
Ellen, It's been lots
of fun getting to
know you this year.
Hope to see more of
you next year.
Love ya,
Dawn
TSU

El,
Confirmation has
been terrible this year
and I'm glad it's over.
See you next year.

you, you did
break my heart
but I don't care. I love
you anyway.

Big LN,
Been a great
year in B. Math.
Raise hell this summer.
Love to tell you to. But you have
my permission but keep it limited.
Have a great summer & hope
to see you soon.
Love ya,

Ellen,
It's been
great
being in
Beverly Hills
with you.
Love,
Janet K.

Ellen,
It's been fun
seeing you in
class. Have fun
this summer
& see you next
year. Judi

Ellen,
It's been
great getting
to know you
even if it was
in study hall.
I hope you're in some
of my classes next
summer. Be good this
summer.
Jeri Powell

Ellen,
It's been fun
being with you
in good 'ol 740.
Minnier's class.
I hope that you
have the best o'
luck always and
that you go far-

Ellen,
I hope I spelled it ~~right~~ right.
anyway, just a few thousand words
to tell you a few thousand things.
thous things, thous things, thous things.

Spring has sprung,
fall has fell,
now its summer again, and hot as... it was
last yr?
much nachas in school,
Love
Carl.

Ellen,
Boy have we been through alot
together. Between Sunday School
and Confirmation, I'm about to go
nuts I can't believe till all be over
in about three weeks I can't
believe it come with David and me,
af lewards to get stoned. I can't wait
till next yr. We'll really raise it.
I hope we're together abt too.
Stay great and be good!

Love. Gail
